

Printer Cartridge and Drum Recycling Initiative

We can reduce your waste costs and improve your environmental impact

RECYCLING RESPONSIBILITY - We all need to dispose of our Toner Cartridges in a sustainable way. Let us help you!

ALL CARTRIDGES - We collect all brands of toner and inkjet toner cartridges
Please do not include Waste Toner Bottles

AVAILABILITY - Recycling your used printer cartridges will help us to maintain availability and supply of new products to you

RECYCLE - REUSE All your cartridges will be recycled for re-use or shredded back to raw materials

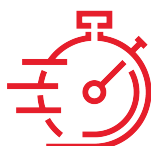

COMPLIANCE - We issue Annual Waste Transfer Notes to comply with current environmental regulations

PLEASE RECYCLE YOUR USED DRUM UNITS - Ask your engineer to bring them back to site do not dispose of them. We will collect them!

BOXES - Get in touch with Leemic to arrange delivery of your recycle box
Initial boxes are £5 or free of charge if you register before 1st July 2019

COLLECTIONS - Please ensure boxes are full, well packed and secure.
Individual Boxes should not weigh more than 20Kgs.
Collections are charged at £22.50 (ex VAT)
